Information about us and how to contact us

If you wish to contact us in writing, have a complaint or are required to give us notice in writing, you can send this to us by email at hello@Maid'sUK.co.uk

Disclaimer

Please note that we simply provide the platform that connects users (such as you) with Service Providers and allows them to be introduced. We do not, ourselves, provide any cleaning services or other services of the type listed on the Site as being provided by Service Providers and any contract for the provision of those services is between you and the relevant Service Provider (and not us). It is up to the relevant Service Provider to perform any services you request through.

You understand that you are entering into a separate contract with the service provider under which the details of the services shall be explained, these are at the absolute discretion of the service provider and are entirely separate from Maid'sUK. It is your responsibility to ensure the service provider understands the details of this contract and any services that you wish for them to carry out. The number of cleaners attending your property, i.e service providers may be different from that on your booking confirmation email, which is to act as a guide. If a specific number of providers is required please ensure this is detailed in your customer booking notes. We do not employ Service Providers and, unless otherwise specified in these terms of use, we are not responsible for, and make no representations, warranties or guarantees as to, the behaviour, acts or omissions of any Service Providers you engage through Maid'sUK or the quality of the services they provide.

If you have a complaint in relation to the services provided by a Service Provider, that complaint must be taken up with the Service Provider directly. If you are unable to resolve a dispute with a Service Provider or you cannot come to an agreement with a Service Provider, please contact us and we will use our reasonable endeavours to try to resolve the dispute.

Client Terms

We do take reasonable measures to ensure the suitability and quality of the Service Providers, including, without limitation, conducting interviews, obtaining proof of identity and address and obtaining references. However, you acknowledge that, in carrying out any checks, we may be reliant on information supplied by third parties and we cannot guarantee that such information is accurate. We also cannot guarantee that any particular Service Provider is suitable for your purposes and you use Service Providers at your own risk, although we may remove a Service Provider from MaidsUK on the basis of any feedback you or other users provide in relation to that Service Provider if we deem it appropriate, but are under no obligation to do so.

Use of your account

You are responsible for the integrity and security of your username and password, we grant you usage of the site and associated app in order for you to manage your services with your service provider.

We reserve the right to remove your use of these services at any time for any reason. You are responsible for all acts carried out under your username and password whether done mistakenly or fraudulently by yourself.

Pricing and payment

When you first request the services of a Service Provider, you will be asked to provide us with valid credit or debit card payment details to pay for the services you request through MaidsUK. We will store your card details for such purpose and you agree that we may undertake authorisation checks on that card (including when you use MaidsUK to request the services of a Service Provider).

The amount you will pay will comprise: (i) a fee due to the Service Provider, for a regular service this will be based on the duration of the visit(s) (i.e. the number of hours worked); and (ii) a service fee due to us as stated on an invoice (which you can request through hello@MaidsUK.co.uk) (or part thereof) worked by the Service Provider and (iii) Any additional extra services which you have selected during the booking process. We will issue you with a single receipt for the total amount paid by you in respect of each booking.

A hold may be placed on your card 48 hours before the clean, please ensure there are sufficient funds in the account. This is not a charge – it is just a test to check there are sufficient funds to complete the clean. If there are not sufficient funds on the card we will contact you. You will need to provide a different card in order for the service provider to go ahead with the clean. If you are unable or refuse, this will count as a cancellation within 48 hours of the clean.

Payment will be taken on the day of the service (or later) after the service has finished. Regular services will be amended to reflect the amount of time spent at the property by the cleaners (2 hours being the minimum payment for any service).

Payment will be taken from the card supplied when the booking was made.

If any amount due from you remains unpaid, we reserve the right: (i) to charge reasonable administration costs; (ii) to charge interest (both before and after judgment) on the outstanding amount at the rate applicable to judgment debts under the Late Payment of Commercial Debts (Interest) Act 1998; (iii) to arrange for any further bookings made by you to be suspended; and/or (iv) to take such other action as we deem appropriate, including, without limitation, immediate, temporary or permanent withdrawal of your right to use MaidsUK

User obligations

The service provider is introduced to the user as a self-employed cleaner (Service Provider) and the user shall retain the service provider under a "Contract for Services", which for the avoidance of doubt shall be a separate contractual arrangement between the user and the service provider only. The user shall agree directly with the service provider the terms of that contract.

Client Terms

The user shall agree with the service provider directly what services are to be performed by the service provider, and such services shall form the basis of the service provider obligations under the Contract for Services to be entered into. The user may change the scope and manner of the services contracted for under the terms of the Contract for Services at any time by reaching mutual agreement with the service provider. The user shall provide work direction (preferably from a checklist), equipment and materials to be used by the service provider.

We will select a cleaner from our database, assign them to your clean and arrange for you to interview the cleaner when they first become your regular cleaner. Your first clean forms this interview and you it is your choice whether you attend this interview or not.

At your request, we will endeavour to provide temporary cover if your cleaner is unavailable. We cannot guarantee this will be on your usual cleaning day and may require you to be present at the property to provide access to the cover cleaner. You will only pay the Agency fee for every hour of cleaning performed.

We will replace your cleaner if you ask, at any time. In this case we will introduce you to the new cleaner when they start working for you.

We will share your information with one or more of our registered domestic cleaner who has signed a workers agreement with us (this will be your regular cleaner, temporary cover cleaner or a replacement regular cleaner)

The user shall provide a safe working environment for the service provider at all times.

Electricity and hot water need to be available at the property in order for the service provider to complete the clean. If this is not provided or available this will be taken as a late booking cancellation and the entire booking fee may be charged.

If for any reason your service provider can't attend the clean then either they or we on their behalf will get in touch with you to arrange another date.

The service provider needs to be able to gain entry to the property. If the service provider is unable to gain access to the property this will be taken as a late booking cancellation and the entire booking fee may be charged.

You will be asked to provide a suitable parking location (or costs towards parking where applicable) during the booking process. If this parking spot is unavailable and the service provider cannot park, this will be taken as a cancellation and you may be charged the entire booking fee. Any costs incurred by parking will be added onto your bill.

THIS SECTION ONLY APPLIES TO END OF TENANCY AND ONE OFF BOOKINGS AND DOES NOT APPLY TO REGULAR CLEANING SERVICES, IT DOES NOT TRANSFER, OMIT OR CANCEL ANY OTHER TERMS OR SECTIONS : This will form part of your contract with the service provider and not MaidsUK, Your obligations as a user are to facilitate the service provider to complete their work to the necessary standard and in a timely manner and it requires that; the property is free from trash, free from furnishings, the fridge and freezer is defrosted, there is not excessive mould, excessive lime scale, dirt, grime, faeces, blood or any other fluid which may cause the clean to take longer than anticipated, if this is the case then the service provider may ask to stay longer during the clean which may result in a further charge being applied. In any case when all of the listings above have not been met any guarantee, offer or invitation for a free re-clean will be void and not offered by the service provider.

Booking process and cancellation

All cancellations require at least 48 hour notice.

You can cancel, amend or reschedule your booking at any time up to within 48 hours of the start time of the clean.

If you wish to cancel or reschedule the booking within 48 hours of the start time you may be charged the entire value of the booking.

You also agree to provide them with all reasonable information and co-operation required to enable them to provide the services you have requested.

By registering to use MaidsUK, you agree that all bookings between you and Service Providers will be made through MaidsUK and that you will not engage or employ any Service Provider you have previously booked through MaidsUK, or whose contact details you have received from us, to provide any Services other than through MaidsUK.

If a Service Provider offers to provide Services to you other than through MaidsUK, you must refuse such offer and notify us immediately. If you accept any such offer or if you make a similar offer to a Service Provider, we will immediately withdraw your right to use MaidsUK (without any obligation to refund any fees already paid by you) and you will be required to compensate us in respect of any losses we suffer as a result up to a maximum of £500.

You also agree not to engage or employ any Service Provider you have previously booked through MaidsUK, or whose contact details you have received from us, to provide any Services for a period of six months after the date of termination of the legal agreement between us.

Resolving Issue

If you would like to make a complaint or provide any feedback about one of our service providers or their Services, please contact at hello@MaidsUK.co.uk as soon as possible. We'll then contact the Professional and try to resolve any issues on your behalf.

THIS SECTION ONLY APPLIES TO END OF TENANCY AND ONE OFF BOOKINGS AND DOES NOT APPLY TO REGULAR CLEANING SERVICES, IT DOES NOT TRANSFER, OMIT OR CANCEL ANY OTHER TERMS OR SECTIONS : All of our service providers have agreed to offer a free re clean guarantee with all end of tenancy and deep cleans, excluding those made for a fixed amount of time at the users request. If your service provider has fallen short of the standards expected of them for this type of service they will re attend the property for free to fix any issues. In order to make use of this you will need to:

- Notify us within 48 hours of the clean finishing. This can be done at hello@MaidsUK.co.uk
- Explain in writing what the issue is.
- You will need to include any relevant pictures to illustrate your issue or complaint.

If we deem there have been any valid issues raised we will ask the service provider to re clean the property as required free of charge. We will make attempts for them to re-attend within 7 days of the original booking date. We will offer up to three possible re-clean times. If none of these are accepted by you then the service providers offer to re clean will end.

Due to the extremely varying conditions of carpets, none of our services providers will guarantee the service of, or offer a free re-clean on any carpet cleaning that has been carried out.

Insurance

At MaidsUK, to keep costs as low as possible we treat all homes that are cleaned with the utmost respect but of course some things can go wrong. As the employer of the cleaner, the client's household insurance policy is the primary insurance in play for the service provider at all times and we recommend providing employers liability cover for a limit of £10 million. Where the Client is partially or wholly covered under their own household insurance schedule, they are excluded from claiming on MaidsUK's policy which is set up on a contingency and indemnity basis only, with a public liability limit of £2 million. Where MaidsUK insurance applies, the client agrees to accept responsibility for the first £500 excess of each and any claim as only claims in excess of this value are covered by the MaidsUK policy.

Client Terms

In the unlikely event something is damaged during your clean and you wish to make a claim, you must email hello@Maid'sUK.co.uk with the information within 48 hours of the damage occurring. It is essential that you attach necessary images of the damage. Claims cannot be made over the phone as we will require photos of any damage to allow us to make an accurate initial assessment of the claim. Any emails received after 48 hours will not be accepted.

Suspension and termination

The client or Maid'sUK may cease the service with 2-month's written notice for any reason whatsoever if the cleaning service is not available to be granted.

If this is the case your account will be withdrawn and you will no longer be able to make new bookings with us, if you create any new accounts with us after your rights to use Maid'sUK have been withdrawn then we reserve the right to cancel any cleans and charge for any cancellation fees.

If we withdraw your right to use Maid'sUK:
